goods-in

Groothandel & Logistiek has a new name:

BEDRIJF & LOGISTIEK

**Trade show for goods-in, storage and goods-out
November 10-11, 2010, Beursgebouw Eindhoven**

All solutions in the area of (internal) logistics: goods-in, storage and goods-out. Visit the completely renewed website of **Bedrijf & Logistiek**

storage

www.bedrijvenlogistiek.eu

5 good reasons to participate:

1. Introduce your latest logistics products and applications.
2. Expand your (sales) network.
3. Easy to make new contacts!
4. Decision-makers with access to capital from various industries visit the trade show.
5. The Full-Service Formula that creates a casual atmosphere during the trade show.

Bedrijf & Logistiek

The trade show offers companies a well-organized and transparent business- to- business platform for internal logistics. Spearpoints are "Goods-in, Storage, Goods-out", which highlight all facets of internal logistics. The unique business cases during the trade show are new!

Organization: Bureau Bosman B.V.

Date: November 10-11, 2010

Location: Beursgebouw Eindhoven, The Netherlands

goods-out

The new name: Bedrijf & Logistiek

Groothandel & Logistiek is wearing a new jacket. The trade show has been given a new name: Bedrijf & Logistiek; the trade show for goods-in, storage and goods-out.

The new name addresses all companies from various sectors that depend on (internal) logistics solutions!

The exhibitor

If you offer solutions for goods-in, storage and goods-out, participation in the trade show is definitely a must!

The visitor

They are the decision-makers of companies, who are responsible for and involved with the purchase and application of (internal) logistics solutions and material.

catering

Marketing

Together with the exhibitor, we engage a balanced combination of online and offline channels.

The full-service formula

Use all the facilities at the trade show floor, free of charge and without limitations, including the catering.

Peripheral program

During both days there will be an exciting and informative peripheral program, which will include business cases, lectures and workshops.

success

The new website

We offer you a functional website with all the required information and support for successful trade show participation! Visit www.bedrijfenlogistiek.eu
